<b>Title:</b> System and method for providing enhanced hot key control	

Date: 07/14/2009

Mail Stop AMENDMENT  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir or Madam,

The Applicant hereby requests consideration by the Examiner of the references cited on the multiple IDS forms being submitted herewith. The Applicant is submitting herewith 2 separate PTO/SB/08a EFS-compatible forms because the total number of references being submitted within this e-IDS exceeds the maximum number allowed within a single PTO/SB/08a EFS-compatible form (i.e., each individual e-IDS may contain a listing of (1) a combined total of 50 U.S. patents and U.S. patent application publications, (2) 50 foreign patent documents, and (3) 50 NPLs).

As described in M.P.E.P. § 609.04(b)(1)(c) and 37 C.F.R. § 1.97(b)(4), the Applicant respectfully submits this e-IDS before the mailing of a first Office action after the filing of a RCE under § 1.114. For this reason, the fee set forth in 37 C.F.R. § 1.17(p) is not required.

The Examiner is invited to contact the undersigned by telephone or facsimile if the Examiner believes that such a communication would advance the prosecution of the present U.S. utility patent application.

RESPECTFULLY SUBMITTED,  
By: /Bruce E. Stuckman, Reg. No. 36,693/
